Dear Michelle,

This letter is in regards to the 2/10/14 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. (You need to post a second copy of your emergency/disaster plan and map next to your back door. Also include a second copy of a no-smoking sign with this.)

110.5(8) Children's Files

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. (You need to update a few of your children's files with current physician signed statements of health.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 3/28/14.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 3/28/14.
